

Live Online EM 385-1-1 40-Hour *Construction Safety Hazard Awareness* Course

NEW 2014 EM 385 SSHO Course for Contractors meets all Requirements for “SITE SAFETY and HEALTH OFFICER” (SSHO) Division 01 - Unified Facility Guide Specifications Section 01 35 26 Government Safety Requirements.

Instructors are Site Safety and Health Officers for NAVFAC and other federal construction projects.

2014 EM 385-1-1 includes changes to every EM 385 Section! Includes NEW Accident Prevention Plan, NEW Coronavirus Emergency Management Plan, Situational Awareness Module and more!

Participant Materials

Project examples include how to comply with EM 385-1-1 and Occupational Safety and Health Administration (OSHA) Construction Standards. With a live instructor this very interactive course applies to government construction projects and includes:

Thumb Drive with Sample APPs, 300 Toolbox Talks, 200 Lessons Learned,

90 Success Stories, UFGS Index and much more. Sign up today to comply with your federal construction contract requirements.

Learn how to properly produce and submit an acceptable *Site-Specific Accident Prevention Program (APP) and Activity Hazard Analysis (AHA).*

Exercises include real USACE & NAVFAC Construction Project Inspections, AHAs and more. Bring a Scope of Work, write an APP and get a free, professional review.
